WRITING PART 2

Short text

Task Overview

In Part 2, you will write one short text (20–30 words). Your answer must be on-topic and easy to understand. You should focus on correct **grammar**, **spelling**, and **punctuation**.

Key points:

- The question will be part of an **online form** related to the theme of the whole writing exam (club / course / activity).
- Only **one question:** 20-30 words (but you can write more).
- Write **full sentences**.
- You will write **one answer**, but there may be **two parts** to the question.
- Recommended time: **7 minutes**.

General strategy

- Write no more than **two or three sentences** in this part.
- It's better to focus on **accuracy** (not making mistakes) than writing a longer answer.
- Check your answer carefully for **spelling**.
- Make sure you **focus** on the question and don't go off-topic.

In this chapter, you will:

- Practise writing answers on a variety of typical topics.
